Baby Bottle Boomerang Under Way! It's Not Too Late!

If your church or organization has not requested baby bottles, it's not too late! We have 33 churches and two other organizations participating in our Spring fundraiser. What a simple way to be a partner with this ministry. Just call us at 774-4419 and let us know how many bottles you need, pass them out to your congregation or members, fill with coins, bills or checks and return on Father's Day. The bottles have a precious Scribbles baby on one side and God's precious Word on the other. *"Every good and perfect gift comes from above."* James 1:17. Each bottle has an insert you may use to honor someone or to give in memory of a loved one. And remember, all donations are tax deductible! Just complete the insert to receive your receipt.

Two of our area churches have already turned in their bottles - the members of Newton Baptist Church participated earlier in the year and Pinckard Baptist Church began earlier and collected their bottles on Mother's Day! We pray God's blessings over each of you and each one who is filling a baby bottle for this ministry.

If this is not a good time for you to participate, we have bottles available all year. Just give us a call when you are ready.

Help Needed!

Can you smile and count at the same time? Well, we have the job for you! Beginning June 20th, we will be in the counting business at Sav-A-Life. Our Spring fundraiser, the Baby Bottle Boomerang, will begin coming back to us, and any help you can give, an hour or two, or even more, would be great. If you would like to help with this endeavor, please give us a call, and we will let you know when and where the counting begins! It is our goal to finish as quickly as possible, thanking our churches as we let them know what amounts have been raised.

This is not the only way you can help at Sav-A-Life. There are many others. If you have been thinking about getting involved, this would be a great time to begin. Call Sidonna at 774-4419.

Welcome.

Donna Richard, a member of Pleasant Hill United Methodist Church, has joined us as a Volunteer Receptionist on Fridays, and Peggy Shaw, a member of Southside Baptist Church, has joined us as a Volunteer Receptionist on Wednesdays. William H. Filmore, a member of Daleville Baptist Church, has joined our Board of Directors. You each bring talents and gifts, as well as friendship, to the ministry of Sav-A-Life of Dale County, and we welcome you! We are thankful for each and every one of our volunteers and board members.

Sidonna Brown, Executive Director, attended a Director's Roundtable in Carrollton, Georgia on March 18th, bringing back affirmation on programs in place along with some views for change and new thoughts to implement.

An in-service was held on May 17th for all volunteers. Sarah Highfill with Lifeline Children's Services shared with us on the adoption side of our ministry how we may better serve our mothers who are considering the loving option of placing their child for adoption. Sarah also shared how Lifeline Children's Services works for and with the birth mother with a holistic approach.

Adoption was created by God. As believers in Jesus Christ, who have received Him and believe in His Name, we have become children of God, according to John 1:12-13.

"Adoption is one of the most profound realities in the universe. I say 'universe' and not 'world' because adoption goes beyond the world. It is greater than the world, and it is before the world in the plan of God, and it will outlast the world as we know it. Indeed it is greater than the 'universe' and is rooted in God's own nature." - John Piper
